

Monday 11 May, 2015
Municipality of Reggio Calabria – City Hall
Italy

Brief Abstract

This event is organized by Cisme and Municipality of Reggio Calabria; it aimed to celebrate Europe Day and to raise awareness about the EU. Each year thousands of people take part in visits, debates, concerts and other events to mark the day and to receive information about European programs. This year in particular in the framework of Europe Day will be organized public event to raise awareness about social economy and its aspects in labor market especially in entrepreneurial aspects in our territories. During the events the relaters will explain their experience in several projects inside European funds. After an introduction of the project that will be done by CCIB, lead partner of M-House, the invited speakers representing Municipality of Reggio Calabria, Association Artemat, Special Agency INforma of Chamber of Commerce of Reggio Calabria and Councillor for Equal Opportunities of Province of Reggio Calabria will present different perspectives of evolution of public bodies and labor market with the introduction of innovative digital devices.
